***Main Street Collierville 2009 Collectible Christmas
Ornament available***

Main Street Collierville commissions a collectible Christmas ornament each year to add to our series of collectibles. The 2009 ornament will arrive this week just in time for your early holiday shopping and is available at The Brooks Collection, CJ Lilly, BankTennessee, Natural Creations or at the Main Street Collierville office. The series first began in 1993 with a replica of the organization's logo. The 1994 and 1995 ornaments were one-dimensional brass ornaments. In 1996, a sequence was started using actual pictures of Historic Town Square Structures along with the church series 2000-2003.

The 2009 ornament will feature the Collierville Christmas Tree along with a horse-drawn carriage. The cost of the ornament is \$30.

“Collierville’s history is one of our most treasured resources, the purpose of the ornament series has been to provide a lasting keepsake of its significant and favorite structures” stated Main Street Collierville Director, Laura Todd.

Contact Main Street Collierville 901-853-1666 or our website www.mainstreetcollierville.org for other collectible ornaments available.
