Old Country Store Celebrates 45 Years in 2010

A few days of sunshine lately shows the promise of Spring and we are looking forward to Spring and a very exciting year ahead. 2010 marks the 45th Anniversary of the Old Country Store founded by Brooks & Anne Shaw. It's been an honor to serve you since 1965. We're very proud to be a part of the Jackson community and to be a home away from home for our local friends and the millions of people from around the world who have walked through our front doors. We will have a variety of events in celebration of our 45th anniversary throughout the year with a special week the last week of April. Mark your calendars for April 24th through the 30th with Saturday, April 24th, kicking off the festivities for the week through Casey Jones Day April 30th. We'll keep you posted and thank you for 45 years of fun. The best is yet to come!
