## Long Distance Information...

With all due respect to those who started spreading the news, who left their hearts, or even to those Nashville cats... but aside from being Ground Zero to the birth of rock & roll and soul music, Memphis holds another distinction. No city is mentioned in more musical recordings than Memphis, TN. Here at the Memphis Rock 'n' Soul Museum, our list exceeds 850 titles. Sure, there are more (there's probably a new one being recorded right now!). In fact, we still have a few more up our sleeve, but we want to give those musical fanatics out there an opportunity to shine. Follow instructions at the end of our list to submit your worthy musical additions.

## Musical Input...

Did we leave out your favorite? Feel free to email other musical recordings which come to mind that mention Memphis to [info@memphisrocknsoul.org](mailto:info@memphisrocknsoul.org). They must have been recorded and distributed songs (not some ditty you composed in the shower... although we applaud your musical creativity). We'll not only credit your submission, you may also win a Memphis Rock 'n' Soul t-shirt.
